

# JEONSOFT CORPORATION

*LKG Tower Ayala Ave. Makati City, Philippines*

# About us

## Who are we?

We are the **leading payroll solution provider** in the Philippines.

## Experience

We are already **20 years** in the **Philippine business innovation solution** with more than **1,390+ clients & 375,000+ headcount nationwide**.

## Workforce

Our **total workforce is 80** where 70 are IT professionals composed of Developers, Project Management, Support, Quality Assurance, Technical Sales Engr. and 10 are administrative workforce.

## Location

Offices are located at **Makati City** for Sales & Marketing and **Quezon City** for main operations and support.

# Philippine Government Compliance

Our solution supports all Philippine Government requirements of these agencies.

# Our Products and Services

Jeonsoft offer quality services with over 20 years of experience!

## PAYROLL SUITE

A 3-in-1 client-server-based application with HR 201, Timekeeping (can be integrated to a **biometric** and **Employee Self Service**) and Payroll specially designed for Philippine use.

## BUNDY.PH

A timekeeping solution that uses Android devices, Web or Desktop partnered with a fingerprint scanner that captures in/out with GPS security.

## PAYROLL.PH

Same solution with Payroll Suite, that can be access via web browser, anytime & anywhere. Server is hosted by Jeonsoft.

## SERVER HOSTING

Using our solution, we also provide cloud hosting service with license for OS, and Microsoft SQL. With daily maintenance and business continuity plan.

## PAYROLL OUTSOURCING

Using our solution, we process end-to-end timekeeping and payroll, up to generating of necessary reports.

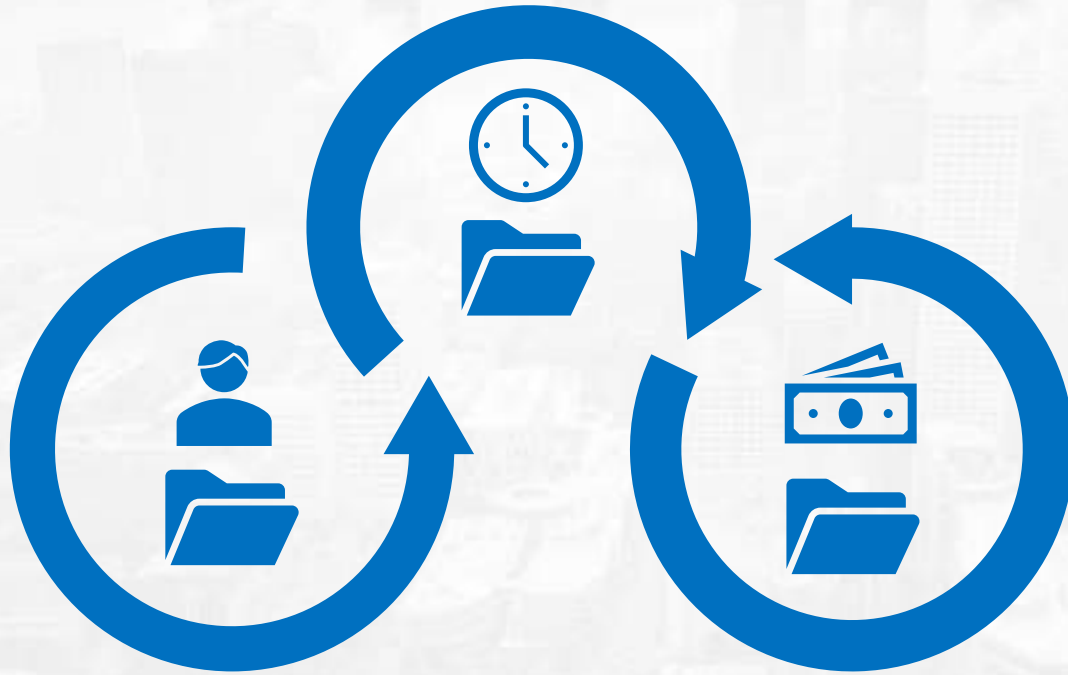

## OTHERS

Others include, integration of other systems to Jeonsoft system, customizations of reports & modules, ERP System and Loan Management System.

# Three Easy Steps!

Jeonsoft Payroll Suite and Payroll.PH offers you faster and accurate solution

## HR 201

This is where we setup all data of an employee, and all configuration from Timekeeping to Payroll.

## TIMEKEEPING

This is where we process consolidated Time & Attendance of an employee from **biometrics** or filings from **Employee Self Service**.

## PAYROLL

This is where we process all payroll task and output all mandatory gov't requirement and reports.

# Bundy.PH

A solution to your timekeeping headache!

## Time and Date Tracker

It capture actual time and date, without access to modification.

## Fingerprint device

Can be connected via Bluetooth (for Android), and USB port (for Windows).

## GPS Location tracker

It capture actual location, without access to modification.

## Auto-sync to Payroll.PH

When not connected thru internet, logs are stored in the device, and auto-sync to cloud once connected.

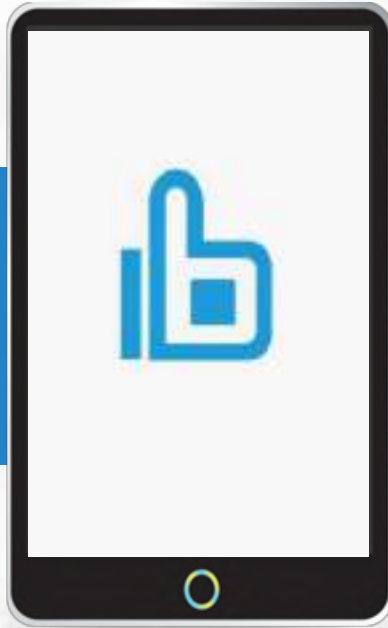

## Project tracker

Depends on your project list, it capture projects upon time logs.

## Image Selfie capture

Additional feature, which capture the image of the employee, when it logs.

# On-premise vs Cloud-based

Choose your platform, either way, we have it all for you

## On-premise system

- One-time investment
- Perpetual License Software
- Can be accessed via desktop
- Needs a server and maintenance
- Government updates installation
- System enhancement installation

## Cloud-based system

- Subscription investment
- Subscription License Software
- Can be accessed via Web Browser
- Server is provided and maintained
- Automatic Government update
- Automatic System Enhancement
